**SEATING**  
**ARRANGEMENT**

Answer the questions based on the information given below.

Ten people A, B, C, D, E, F, G, H, I and J are seated in two parallel rows such that five persons are seated in each row but not necessarily in the same order. Persons seated in row 1 are facing towards the east direction while persons seated in the row 2 are facing towards the west direction. Therefore, in the given seating arrangement persons seating in row 1 are facing and sitting opposite to the persons seating in row 2 and vice versa. J sits at one of the extreme ends and sits three places away from the one who faces E. B faces the one who sits to the immediate left of E. Only one person sits between B and F, who faces C. G sits second to the left of C and is sitting adjacent to the one who faces D. F is not sitting adjacent to D. Neither A nor H sits at the extreme ends. H neither faces west nor sits adjacent to G.

Who among the following sits opposite to A?

- a) Person who sits immediate left of B
- b) D
- c) E
- d) Person who faces C
- e) Either F or J

Who sits 2nd to the left of G?

- a) Person who sits opposite to D
- b) A
- c) The one who faces B
- d) J
- e) None of the above

Who sits immediate left of H?

- a) C
- b) I
- c) B
- d) F
- e) None of the above

Who sits exactly between the one who faces B and the one who faces J?

a) The one who faces D

b) C

c) Can't be determined

d) G

e) The one who sits immediate left of I

Four of the following five are related to each other in some way and thus formed a group. Choose the one which does not belong to that group?

- a) F
- b) H
- c) G
- d) B
- e) J

Six persons- U, V, W, X, Y, and Z are sitting in the linear row facing the north. They like different sweets- Jamun, KajuKatli, Mysore Pak, Halwa, Ladoo, and Jalebi but not necessarily in the same order. The one who likes Jalebi sits third to the left of W, neither of them sits at end of the row. Z sits immediate left of W. Only one person sits between Z and X. The number of persons sits to the left of X is the same as the number of persons sits to the right of the one who likes Mysore Pak. V sits second to the left of the one who likes Ladoo. V neither likes Jalebi nor Halwa. Y neither likes Jalebi nor Ladoo. Neither Y nor X likes Halwa. The one who likes KajuKatli sits second to the right of the one who likes Halwa. X does not like Kajukatli.

Which of the following combination is true?

- I. V- Jamun
- II. Z- Halwa
- III. Y- Ladoo
- IV. X- KajuKatli
- a) Only I and II
- b) Only III and IV
- c) Only I and III
- d) Only II and IV
- e) Only II and III

Which of the following sweets does X like?

- a) Jamun
- b) Jalebi
- c) Halwa
- d) Kajukatli
- e) Ladoo

What is the position of V with respect to the one who likes Jalebi?

- a) Third to the right
- b) Immediate left
- c) Immediate right
- d) Second to the left
- e) Second to the right

INNATETALENT  
TRANSFORMING FUTURE

Who among the following person likes Halwa?

- a) The one who sits third to the right of U
- b) W
- c) U
- d) The one who sits second to the right of V
- e) The one who sits immediate left of W

How many persons are sitting to the left of the one who likes Mysore Pak?

- a) As many persons are sitting to the right of Z
- b) Three
- c) Four
- d) Five
- e) As many persons are sitting between X and Z

Study the following information carefully and answer the below questions.

Ten people- I, J, K, L, M, N, O, P, Q and R are sitting around the circular table and facing towards the table but not necessarily in the same order. I faces the one who sits third to the right of Q. J sits fourth to the left of K. Neither I nor Q sits adjacent to both J and K. Only two persons sit between J and R who sits second to the left of N. As many persons sit between N and J is the same as between I and P. The one who sits second from P is sits second to the right of L. M sits third to the right of O.

\_\_\_\_ sits fourth to the right of M.

- a) L
- b) K
- c) Q
- d) I
- e) None of these

Who sits third to the left of the person who faces O?

- a) Person sits second to the right of Q
- b) Person sits third to the left of L
- c) Person sits fourth to the right of P
- d) Person sits second to the left of R
- e) None of these

Which of the following statement is/are true?

- I. N faces the one who sits just left of P
  - II. Q sits exactly between K and M
  - III. Only three persons sit between R and Q
- a) Only I
  - b) Only III
  - c) Both I and II
  - d) All I, II and III
  - e) None of these

Four of the following five are alike in a certain way and hence from the group. Which is the one that does not belong to the group?

- a) LJ
- b) MN
- c) IO
- d) PK
- e) RO

In which of the following statement the third person faces the one who sits exactly between the first and the second person in the following arrangement?

- I. RLJ
- II. MIK
- III. RQP
- a) Only I
- b) Only II
- c) Only I and II
- d) All I, II and III

Study the following information carefully and answer the below questions.

Nine persons A, B, C, D, E, F, G, H and I are sitting around a triangular table such that all of them are facing towards the center, but not necessarily in the same order. Two persons sit in each of the sides and one person sits in each of the corners. Three persons sit between G and I where both don't sit in any of the corners. F sits second to the right of G. The number of persons sits between F and G is the same as the number of persons sits between G and A, who sits to the immediate right of H. Two persons sit between H and B who sits second to the right of C. D sits third to the left of E where both sit in the corners.

Who among the following person sits second to the right of B?

- a) G
- b) E
- c) D
- d) H
- e) None of these

How many persons sit between C and E when counted from the right of E?

- a) 1
- b) 2
- c) 3
- d) More than three
- e) None

Four of the following five are alike in a certain way and hence form a group. Find the one that doesn't belong to that group.

- a) G
- b) I
- c) H
- d) F
- e) C

What is the position of B with respect to I?

- a) Second to the left
- b) Immediate left
- c) Third to the right
- d) Second to the right
- e) None of these

Who among the following person sits third to the left of F?

- a) G
- b) A
- c) H
- d) D
- e) None of these

Study the following information carefully and answer the below questions.

Answer the questions based on the information given below. Eight person A, B, M, N, U, V, Y and Z are sitting in the square table. Four person are sitting on the sides of the table and four person are sitting on the corners of the table. Some of them are facing center and some of them are facing away from the center. Not more than two persons of immediate neighbour are facing same directions. All the information are not necessarily in the same order.

Note: If opposite direction means one person is facing towards center while another person is facing away from the center. If same direction means one person is facing center and another is also facing center. V and N are facing same direction as Z. Number of persons sit between V and Z as same as number of persons sit between Z and Y. N sits immediate left of A, who is facing opposite direction of V. B is facing the same direction as M, who is facing away from the center. Number of persons sit between M and Z is equal, when counted from both right and left of Z. U and N are facing opposite direction to each other. Y sits third to the right of Z. U sits second to the right of V, who is an immediate neighbour of B. Z is sitting on one of the sides of the table. Two person sit between Y and B, who is facing the same direction as Y.

Who sits third to the left of U?

- a) M
- b) A
- c) N
- d) U
- e) Y

How many person sit between U and M, when counted from the left of U?

- a) Two
- b) Four
- c) Six
- d) Three
- e) None

What is the position of A with respect to B?

- a) Fourth to the right
- b) Third to the right
- c) Fourth to the left
- d) Third to the left
- e) Fifth to the left

Four of them following are in the same group, which one does not belongs to that group?

- a) M
- b) Y
- c) A
- d) N
- e) U

Who among the following is/are sitting at the corner of the table?

- a) N
- b) M
- c) A
- d) U
- e) Both C and D

Six persons - A, B, C, D, E and F organised an event in six different international hotels viz. Hyatt, Radisson, Marriott, Westin, Novotel and Hilton on different days of the same week from Monday to Saturday, but not necessarily in the same order. B organised the event on one of the days after Wednesday. The number of persons organised before B is the same as the number of persons organised after the one who organised in Novotel. Only one person organised between the one who organised in Novotel and F, who organised two days before D. The one who organised in Marriott organised immediately before D. E organised three days before the one who organised in Radisson. F didn't organise in Radisson. Only one person organised between the one who organised in Radisson and Hyatt. Neither B nor E organised in Hilton. A didn't organise in Novotel.

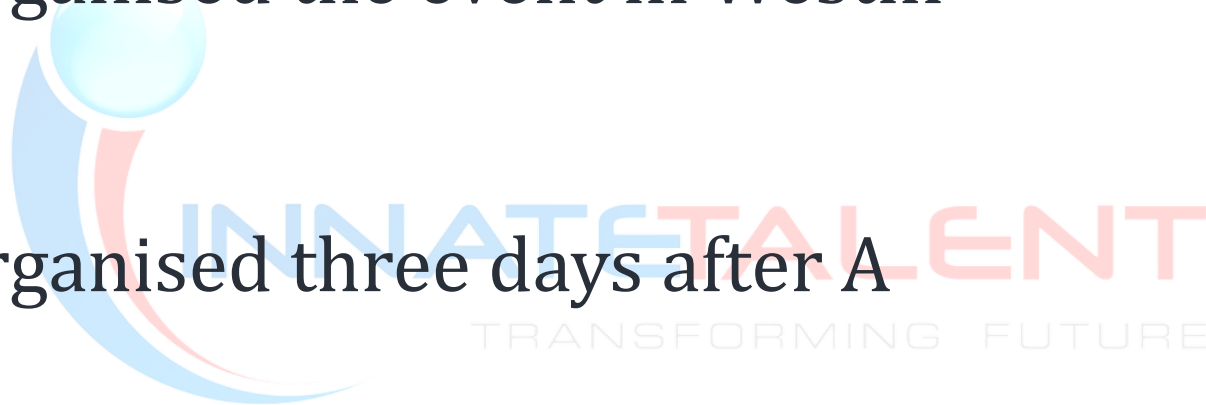

Who among the following person organised the event in Hilton?

- a) The one who organised on Tuesday
- b) The one who organised two days before E
- c) The one who organised immediately after F
- d) The one who organised on Saturday
- e) None of these

If F is related to Wednesday and C is related to Monday in a certain way, then who among the following person is related to Friday?

- a) The one who organised the event in Westin
- b) C
- c) The one who organised three days after A
- d) B
- e) The one who organised the event in Radisson

Who among the following person organised the event in Thursday?

- a) The one who organised the event in Hyatt
- b) The one who organised the event in Hilton
- c) The one who organised the event in Marriott
- d) The one who organised the event in Novotel
- e) None of these

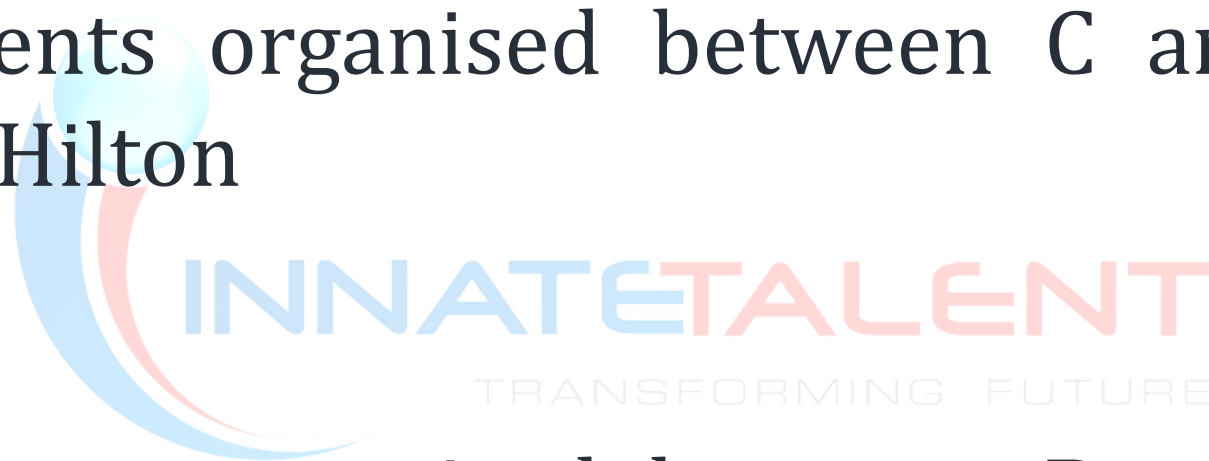

Four of the following five are alike in a certain way as per the given arrangement and hence form a group. Find the one that doesn't belong to that group.

- a) AC
- b) BD
- c) CE
- d) FA
- e) FB

How many persons organised the event between A and D?

- a) One
- b) As many events organised between C and the one who organised in Hilton
- c) Three
- d) Four
- e) As many events organised between B and the one who organised on Tuesday
